On 09/18/2026 at approximately 0912 hours, I, Officer Stevens #384 responded to a hit and run crash at the intersection of Old Shakopee Road East and Old Cedar Avenue South that involved a small school bus with a child and a small black GMC SUV that left the scene.

Actions/Observations:

I arrived on scene and could see a Type A (short yellow school bus) with a Type C (full size school bus) parked in front of it.

I met with the driver of the type A school bus (Weibel, Russell Dale DOB: 0409/2022, MN Plates: 960212) that is registered to Independent School District #271, who stated there were no injuries and there was one preschool child on the bus at the time of the crash.

Weibel stated that he was heading East on Old Shakopee Road and turning North onto Old Cedar Avenue South when a smaller black GMC SUV rear ended him.

Weibel stated that the GMC left the scene and headed South on highway 77.

Weibel stated that there was damage on the front of the GMC consisting of a bent up hood, grill damage and front bumper damage.

Weibel stated he did not see who was driving the black GMC.

Weibel stated that the child was not injured and had been transferred to another school bus prior to my arrival, the child's name is Vega-Escobar, Anthony DOB: 04/09/2022 who is a student at Washburn Early Learning, 8401 Xerxes Avenue South.

Weibel did not have parent information for the child.

Bus company employees on the scene stated they should have video of the crash and GMC, however they did not have access to the video at the time of the call.

The rear bumper of the school bus was pushed in and there was no other damage seen.

I took photographs of the rear of the bus and uploaded them to Axon Evidence.

Weibel and bus company employees were given this report number and advised to contact BPD if they were able to get suspect or suspect vehicle information.

State crash report completed.

Disposition:

Forward to TIU.

End of report. #384
