On 09/26/2026 at 0534 hours, officers responded to the area of 8509 Penn Cir for a report of a vehicle that crashed through a fence. Officers arrived and located the sole occupant and driver still in the vehicle. Driver 1 was helped from the vehicle and brought to the roadway as the vehicle was totaled, on a power line, with a fence post piercing the windshield.

I arrived and spoke with driver 1. Driver 1 advised they were coming from a friend's house down the road, pointing to the north. Driver 1 advised they were driving south on Penn, and using the "self driving" features of the vehicle, drove off the roadway and into the fence in the embankment. Driver 1 admitted to drinking at their friends house since 2300 hours. Driver 1 admitted to drinking shots of an unknown liquor while they were at their friend's house.

Driver 1 was ultimately arrested for DWI. It was learned that Driver one was using their phone will trusting in the self driving feature on the vehicle while intoxicated, and drove off the roadway and through a fence and electricity pole owned by Xcel. Xcel was notified as well as the property owner. The vehicle sustained heavy all over damage and was towed by Chiefs.
