U2 said they were west on 98th in right lane going straight thru Nicollet on green light. They noted they didn't have their blinker on. U1 said they were east on 98th turning left to go north on Nicollet on flashing yellow turn light. They didn't know which lane U2 was in, but all occupants noted U2's left turn signal was on. D1 thought U2 would turn left, so they continued with their turn. U2 broadsided U1's passenger side. No city cameras at this intersection.

Dispatched to 2 car crash at the intersection. D2 said he was stopped westbound 106th St and then turning left with right-of-way to southbound Louisiana Ave. He said U1 went right thru the stop sign eastbound 106th St and they collided head-on.

D1 said he had stopped farther back from the stop sign and then continued straight with right-of-way. He said he got up to about 25-30mph by the time he was in the middle of the intersection, and U2 turned left in front of him and they collided. D1 insisted he had stopped at the stop sign and then continued east with right-of-way even though I pointed out how the speed at impact was unlikely to occur without him going thru the stop sign. Ultimately unable to determine fault on scene.

U1 towed away, U2 drove away.

On 9/13/26 unit #1 was stopped at the intersection awaiting an operational traffic control device.

Unit #2 was the in the westbound lane of westbound 90th St. W. on the east side of the France Ave. S. intersection. The light was red indicating westbound traffic to stop.

While Unit #2 was stopped, Unit #2 was behind it approximately 1 car length.

The driver of Unit #1 observed vehicles moving in the dedicated left turn lane to southbound France Ave. S.

Unit #1 drove forward, making contact with the front of Unit #1 to the rear of Unit #2 causing a collision between the two.

The driver of Unit #2 and passenger advised that the driver of Unit #1 was traveling between 30-40 mph in a 30 mph zone.

The driver of Unit #1 advised that she let off the brake pedal and was likely traveling approximately 5 mph when contact was made.

No airbags were deployed, there was minimal damage to either vehicle, a small approx. 5" mark was observed on the rear bumper of unit #2 and a bent license plate on unit #1.

The passenger of unit #2 complained of injury and was transported via Allina ambulance to Fairview Southdale hospital.
