On 10/17/2026 at approximately 1045 hours, I was dispatched to 1700 American Blvd E (Great Wolf Lodge) for a report of a hit and run incident. I arrived and made contact with the owner of Unit #1 who stated that someone left him a note on his car that stated another vehicle, Unit #2, struck his vehicle while it was parked and unoccupied. The owner of Unit #1 then went to inspect his vehicle and observed damage to the drivers side rear quarter panel. I spoke with staff at Great Wolf Lodge, who showed me video footage and showed the driver of #2 attempting to back into a parking spot. While backing into the spot, unit #2 collided with Unit #1, the driver of Unit #1 did not leave their vehicle, nor did they leave information. Unit #2 then drove down the parking lot and parked in a different spot. The driver of Unit #2 then exited their vehicle and observed the damage to their vehicle.

Neither vehicle needed to be towed, nor was there any need for medical attention.

Vehicle 1 was on the Mall of America "ring road," stopped near a stop sign outside of the 1 West entrance/exit doors. Vehicle 2 struck Vehicle 1 front to rear. Both vehicles sustained minor cosmetic damage. Vehicle 2 fled the scene.

I made contact with the driver of vehicle 1. He described the hit-and-run driver as an asian male, 17 or 18 years old. The driver of vehicle 1 could not provide proof of vehicle insurance. His tabs expired in July of 26. I warned him for his expired registration. A small child was in the rear of that vehicle and appeared unharmed.

I called the registered owner of Vehicle 2, who stated he had supervised custody of his child (ren) and that his brother was driving. He said his brother had already told him he hit a pole. Vehicle 2 RO provided his brother's information, and I called him. The driver of vehicle 2 identified himself and said he was looking at his GPS when he hit the other vehicle. He said he left the scene to find somewhere safe. RO of the hit-and-run truck provided insurance info.

Citation will be mailed to the driver of vehicle 2
