Responded to the parking lot 7801 Bush Lake Road on a hit and run accident report.

Spoke with rp/victim Stiegler, Helmut Christian - 6/23/1977, who advised the following:

He was driving vehicle #2 with MN plate RLX-247.

He was exiting onto East Bush Lake Road from the westbound 494 off ramp.

He was at the semaphore for East Bush Lake Road stopped at the red light.

He was planning on heading North onto East Bush Lake Road.

He proceeded forward slightly and stopped as traffic was coming towards him on East Bush Lake Road.

He was rear-ended by Vehicle #1 with Wisconsin Plate MB9343, which he described as a Black Ford F250.

He pulled into the lot at 7801 Bush Lake Road and so did the suspect vehicle.

He advised his son Stiegler, Helmut Christian - 8/23/2012, got out of the vehicle first, and heard the suspect driver swearing.

He advised to getting out of the vehicle and having the suspect stating it was his fault for stepping on the brake.

He advised the suspect got back into his truck and continued north on East Bush Lake Road without giving his information.

He described the suspect driver of vehicle #1 as being a white male in his late forties to mid fifties.

He described him as being well kept with dark salt and pepper hair.

He stated he was approximately 6 feet and weighed around 220-230lbs.

Helmut Sr provided a photo of the suspect plate which matched to a black 2016 Ford F-250.

Vehicle #1 shows registered to Larson, James Paul - 3/15/1968, out of Wisconsin.

James does fit the description given by Helmut Sr.

I observed a dent in the rear bumper and trunk of RLX-247.

Photos were taken and uploaded to Axon.

TWV250 and LHZ747 were traveling WB on 84th with a green light. PNB625 was traveling SB on Normandale and went through a red light.

PNB625 first struck TWV250 causing that vehicle to spin, and then LHZ747 struck TWV250. Airbags deployed on several vehicles, but no injuries reported. LHZ747 was damaged, but the owner advised they would try to drive it without a tow. The other two vehicles were towed by Chiefs towing. A MN State Crash Report will be completed. All vehicles had insurance.

Driver of PNB625 was cited for failure to yield right of way of a controlled intersection.

---------------------------------	----------

On 10/9/26 around 1505 hours, Veh #1 was traveling at a high rate of speed attempting to overtake vehicles driving southbound on Normandale Blvd.

As the driver of Veh #1 approached the intersection of 84th St. W. he turned towards the left most turn lane to eastbound 84th St. W.

Veh #2 was parked facing southbound in the leftmost turn lane waiting for the traffic control device to change and turn green.

Veh #1 skidded approximately 50 yards from the beginning marking of the turn lane and crashed into the rear of Veh #2.

Veh #2 then crashed into the rear of Veh #3.

Witness Information:

Name	Sex
PENNIG, SARA ELIZABETH	F

On 10/10/2026 at approximately 1222 hours, I Officer Barnum #407 was dispatched to the intersection of American Blvd W and Lyndale Ave S. for a motor vehicle accident.

Prior to arrival, dispatch advised that it was a two vehicle crash with one of the vehicles possibly being rolled over.

Once on scene, I observed two vehicles involved in the crash. The two vehicles were identified as Unit 1 (MN/HBS114) and Unit 2 (MN/PTS917).

Upon arrival, both vehicles were upright and nobody was trapped in either vehicle.

At this time, I made contact with Unit 2's driver. Unit 2 was shook up and could not remember where exactly they were traveling. Unit 2 stated that during the crash their vehicle rolled over approximately three times. Unit 2's vehicle had damage all around it but appeared to originate on the passenger side front door. Unit 2's airbags were deployed in a combination. Unit 2 stated they were injured and would like to go to the hospital. Unit 2 was transported via EMS ground the a nearby hospital. Unit 2's vehicle was towed due to disabling damage.

At the time of the crash, unit 2 was unable to provide insurance information due to forgetting their phone at home.

Around this time, a statement from unit 1 was obtained. Unit 1 stated they were traveling east on American Blvd W. when they went through Lyndale Ave S. Unit 1's driver claimed they had a green light prior to entering the intersection. Once in the intersection, unit 1 crashed into unit 2's passenger side. Unit 1 stated they were not injured in the crash. Airbags in the vehicle were deployed in combination. Unit 1's vehicle was towed due to disabling damage.

Around this time, a witness of the crash approached me. The witness stated they observed unit 2 go through a red light on American Blvd W. which caused the crash to occur. The witness stated they knew it was a red light due to them being stopped at the light. After the the crash, the witness stated that Unit 2's vehicle rolled approximately two times before landing back upright.

Unit 1 was cited for stoplight violation.

The weather was clear and the roads were dry at the time of the crash.

Photos taken and uploaded to Axon.
