OFFICER REPORT

Narrative

On 09/28/2026 at approximately 1935 hours I, Officer Atchison-Keolanui #417 responded to the intersection of 90th St. E. and 3rd Ave. S. for a no injury PD accident.

Observations:

When I arrived on scene two vehicles were in the left lane of 90th St. E going eastbound one was a 2018 Cadillac ATS with license plate ZSK176, and the second one in front was a 2013 Toyota Camry with license plate REW506.

The Cadillac had heavy front end damage from rear ending of the Toyota Camry which had heavy rear end damage.

Both drivers of each vehicle were standing on the sidewalk with no visible injuries seen.

I collected statements from Daniel Villasana who was driving the Cadillac ATS, and Samia Sufi Milano who was driving the Toyota Camry.

Milano's Statement:

According to Milano she was driving eastbound on 90th St. E. when she noticed a child riding a bike cross the cross walk causing her to stop quickly. She continued to say she was able to stop but the vehicle behind her driven by Villasana hit the rear of her car.

It should be noted I did not ask Milano if she needed medical attention, but she stated approximately 10-20 minutes later that she was experience back pain and needed to go to the hospital. Allina was requested and she was transported to Fairview Southdale at approximately 2032 hours.

Villasana's Statement:

According to Villasana there was no one in the crosswalk just north of 3rd Ave. S. He stated the person on the bike was on the south sidewalk near the crosswalk but not in the crosswalk when Milano brake checked him causing the accident.

Villasana left with family/friends who arrived on scene.

Officer Actions:

Chiefs Towing was requested for Villasana's Cadillac which was undrivable, and Milano parked her car in the parking lot since she was transported to the hospital.

Info exchange was done by Officer McCabe for both parties.

Disposition:

No injuries were seen but information was exchanged. Due to the transportation of Milano to the hospital, I completed a State Crash report.

On October 2nd, 2026, at approximately 1613 hours, I was dispatched to a hit-and-run at the Element Hotel located at 2400 82nd Street East. Upon arrival, I met with the reporting person, who stated the front desk called him to report that someone had hit his truck in the parking garage and left the scene. The property captured the incident on security cameras and obtained the license plate of the vehicle that struck the parked truck.

The truck was parked unoccupied on the first floor facing east. The vehicle is a 2019 RAM 1500 with Minnesota plate TYC845.

Video surveillance showed a 2008 Nissan Altima with Minnesota license plate ULL361 crash into the truck at approximately 1449 hours. The video showed the driver of the Altima pause, open their door, close their door, and then strike the truck before leaving the scene. The driver was not captured in the footage shown.

The truck had minor apparent damage to the rear passenger-side bumper, including scratches, a dent, and a crack. The Altima would appear to have damage to the front bumper, as debris from the vehicle, including the headlight, was left on the ground.

On 10/03/2026 at approximately 1519 hours, I Officer Barnum #407 was dispatched to the intersection of American Blvd W. and 82nd St W. for motor vehicle crash.

Upon arrival, the two vehicles involved were identified as unit 1 (MN/UCT306) and Unit 2 (MN/ZSF690).

Initially both vehicles were located on American Blvd W. Unit 1 was blocking the right lane and Unit 2 pulled into a nearby parking lot. Once on scene, Unit 1 began driving but once behind the vehicle pulled into a nearby parking lot. Upon making contact with unit 1, they stated they pulled off the street so they were no longer blocking. Unit 1 stated they were not trying to drive away from the crash.

At this time, I obtained a statement from Unit 1. Unit 1 stated they were stopped at the stop sign located at 82nd St W. and American Blvd W. After stopping at the stop sign, they attempted to turn left and go south on American Blvd W. Once in the intersection, Unit 1 and Unit 2 made contact with each other. Unit 1 had moderate damage to the front of their vehicle. Unit 1's driver was not injured and airbags were not deployed.

Unit 1 stated they did not see unit 2 until the crash.

At this time, I made contact with Unit 2.

Unit 2 stated they were traveling north on American Blvd W. when they approached 82nd St W. Once in the intersection, Unit 1 pulled out in front of Unit 2. Unit 1 made contact with the passenger side rear tire and quarter panel of unit 2. Unit 2 reported no injuries in the vehicle. Unit 2's vehicle was not towed and airbags were not deployed.

Unit 2 believes that Unit 1 did not stop at the stop sign which resulted in the crash. Unit 2 had passengers but did not want their information in the report due to them being juveniles.

Pictures taken by both drivers and information was exchanged.

Roads were dry and the weather was clear.
