The vehicle then continued southbound Highway 77. At this point it was the only vehicle on the road and speeds were back up ranging from 80-100mph. We approached another vehicle that was in the far-right lane and yielding. As we passed by that vehicle, I observed another vehicle up ahead taking the Old Shakopee Road Exit (Silver 2010 Audi A6 Minnesota License Plate ZPY-433).

The suspect vehicle was continuing to fail to maintain their lane. They then took the Old Shakopee Road exit. They appeared as they were going to go off road but was able to swerve right to correct themselves. As they did that, they appeared to lose control of their vehicle. They were coming up on the Silver 2010 Audi A6 in front of them. The Audi appeared to drive to the right off road to try and avoid the suspect vehicle.

The suspect vehicle was never able to gain control and went off road and rear ended the Audi. The suspect vehicle then went in between a tree and chain linked fence.

Remarks

Unit 01 was travelling northbound on Russell Ave. at 108th St., entered the intersection and collided with Unit 02 who was on 108th St. travelling westbound through the intersection. Yield signs are present for Russell Ave. traffic but not for 108th St. traffic so unit 01 failed to yield the right of way to unit 02. Unit 01 driver and passengers sustained no apparent injuries nor were any reported. Unit 02 did not have any apparent injury but complained of pain to hand. EMS responded but Unit 02 refused further treatment. Unit 01 sustained disabling damage to passenger side and was towed. Unit 02 sustained minor front end damage and was towed but was still functional.
