Responded to single motorcycle accident with injuries on West Bush Lake Road just south of 87th Street West.
Arrived to find injured driver Gerald Charles Baker - 9/4/1961, being attended to by paramedics and Bloomington Fire.
Gerald advised he was north on West Bush Lake Road from Oakmere area.
He could not state how or why, but he layed his bike down near the construction area on West Bush/87th Street.
He complained of shoulder and chest pain and was sweaty.
Allina transported him to HCMC in case of a possible head injury.
There was road construction in the area of 87th Street West and West Bush Lake Road.
The road was being torn out and past the accident the road turned from blacktop to dirt.
There were flagmen in the road at West Bush Lake Road and Oakmere.
The flaggers advised Gerald was given the ok to proceed north on West Bush Lake Road from Oakmere.
The flaggers advised they did not see the accident but heard the motorcycle reved and then observed a few seconds later that it had been laid down on its side.
It should be noted West Bush Lake Road from Oakmere to 86th street was down to one lane for both directions.
The lane used was the west side of West Bush Lake Road for north and south bound traffic.
There were flag men at both ends of the one lane street and the accident just involved the single motorcycle.
Photos were taken and uploaded.
The motorcycle itself had minor damage and still was functional, but was towed by Chiefs as there was no one to take it.
Made contact with Gerald's wife Dianne at 952-240-1695 to advise of the incident.

Unit 1 driver was southbound on Grand Avenue South. Unit 1 driver says she was at a red light and there was one vehicle in front of her in the left turn lane to go eastbound on 98th Street W (Old Shakopee Road). Unit 1 driver said the light turned green (Green circle) and the car in front of her went through the intersection and she followed behind. As Unit 1 was turning onto 98th Street she struck a pedestrian that was walking northbound across the eastbound lanes of 98th Street in the crosswalk. Unit 1 driver did not see the pedestrian prior to hitting them.

Pedestrian 1 and 2 stated they were walking northbound in the marked cross walk with a white walk signal indicating it was their turn to cross the intersection. Pedestrian 1 felt the front of the vehicle just start to make contact with the rear of his body when he jumped out of the way and pulled his dog with him. Pedestrian 2 was just behind Pedestrian 1 and was struck by the front of Unit 1. Pedestrian 2 went up onto the hood then slid down onto the ground.

Bloomington Fire Department and Allina Ambulance responded to the scene and evaluated both pedestrians. Pedestrian 2 was ultimately transported by Allina Ambulance to be evaluated for suspected minor injuries.

Unit 1 had a noticeable dent on the hood of her vehicle which she acknowledged was new. Unit 1 was cited for failing to obey a traffic control device by not yielding to the right of way of the pedestrians when turning on a green circled light.
