Bloomington— The City of Bloomington will host its 12th Home Improvement Fair on Saturday, February 20, 9:30 a.m. – 2:30 p.m., at Bloomington Civic Plaza, 1800 West Old Shakopee Road.

If you're considering making home improvements, don't miss this free event that features more than 60 vendors. Fairgoers will be able to visit a variety of home improvement exhibits, have questions answered by professionals in the home improvement field, get ideas for remodeling projects and attend 13 how-to seminars. Visit the City's website at www.bloomingtonmn.gov/homefair for a list of vendors and seminars.

The Home Improvement Fair is a great opportunity to learn more about planning your next remodeling project and to see what new products are available for your home. Home Depot will host kids' activities, keynote speaker Craig Plekkenpol of Plekkenpol builders will speak at noon, and Artistry will present Art in the Home Mini-Mart, featuring one-of-a-kind items for the home.

In 2014, 1,500 people attended the Home Improvement Fair; 2016 is expected to attract more. Stop by the HRA booth and find out about our new lower interest home improvement loans.
