## Virtual Meeting Etiquette

- 1) Everyone ***mute their mics***, except the presenter. This cuts down on ambient feedback.
- 2) ***Silence alerts*** on computers, phones and other devices.
- 3) If you have a question, write the question in the ***chat function***. The facilitator will call on you at the appropriate time. For those calling in, pauses will be taken after each agenda item to ask for questions.
- 4) Prior to speaking, ***state your name***.
- 5) We may request participants to ***turn cameras off*** unless they are speaking. This helps lower the bandwidth of the meeting.
- 6) Remember, if your camera is on, ***we see you***. 😊
