Dear Bus Driver:

Enclosed is a map showing directions to the Pond Dakota Mission Park located at 401 E 104th Street in Bloomington. Buses will travel south on Nicollet Avenue to 104th Street, take a left and travel east on 104th Street to the park. Buses will be directed to stop at either the east or west driveway of the park.

Upon unloading, buses are requested to proceed east on 104th Street to Portland Avenue. **We request that you not drive down side streets between Nicollet and Portland Avenues due to special consideration of the neighborhood.** Parking is available in the north lot of Kelly Playfield on 102nd Street. Please refer to map on reverse side.

Please note that the City of Bloomington Traffic Engineer and Police have requested that pickup buses schedule their arrival so that they do not sit on 104th Street for more than 5 minutes prior to loading and departure. Again, please proceed east on 104th Street to Portland Avenue upon departure.

We sincerely appreciate your cooperation.
