Dear Educator,

We would like to invite you to an extraordinary educational opportunity taking place September 19 – 23, 2016. River Rendezvous is an annual festival of historical re-enactments and demonstrations relating to the 1800-1870's period in Minnesota. River Rendezvous School Days focuses on the history and culture of the Native Americans, fur traders, and early settlers of Minnesota and the Midwest. The setting is Pond-Dakota Mission Park, a historic 40-acre site located in the City of Bloomington.

Once again we are offering an early bird registration rate. Admission will be \$10 per students for schools that register before May 13. Registrations that are received after May 13 will be charged \$11 per student.

River Rendezvous School Days are designed primarily for students in grades 4 through 6 to enhance their understanding of Minnesota and Western Frontier history. The event is also great for other grades and classes that are studying aspects of history, geography or anthropology. Classes come to the Rendezvous for up to an entire school day. Depending on the length of stay, classes will participate in 8-10 demonstrations in the areas of Native American life, Early Trades, Pioneer Life, Plants & Animals, Wilderness Skills, The Fur Trade, and Fun & Games. The emphasis is on providing students with authentic and hands-on historical experiences.
