

GENERAL AUTHORIZATION AND RELEASE

Minnesota Statute 13.05, Subd.4

Minnesota Data Practices Act

I request that you give the Bloomington Fire Department complete access to any and all information your agency may possess concerning me. This information will be used by the Bloomington Fire Department to determine my suitability for employment. The information to which I am specifically authorizing access would generally be classified as Private under Minnesota Statute – Section 13.02 – Subd. 12 and I acknowledge the fact that Private information would not be available to the Bloomington Fire Department for this purpose without this authorization and consent.

I specifically request that the Bloomington Fire Department’s access to information on me should be broadly construed and that their request for information on me should be given the effect of a request for information made by me personally under Minnesota Statute Section 13.04, Subd. 3.

This authorization and consent shall be valid for a period of one year; unless specifically revoked by providing written notice to you or the Bloomington Fire Department of my intent to revoke my consent.
