FORMS TO KNOW ABOUT

Guardian Permission Form - Be sure to get one of these and fill it out if a sibling, babysitter, or nanny ages of 16 or 17 will be accompanying your children ages 11 or younger to the pool this summer.

Family Member Purchase Authorization Form - Do you have a family member who you would like to be able to sign your kids up for programs and/or purchase pool passes? This form allows the households to become linked allowing the child's parents and other family member to both be able to sign children up for our programs.

LIFEJACKET SAFETY

Our facilities only permit Coast Guard approved type I, II or III floatation devices. These devices are made to support the swimmer by ensuring that they flip onto their back. Some other floatation devices focus solely on floating and may further endanger wearers by keeping them face down in the water. Inflatables may burst and "noodles" may not be in reach. When choosing floatation devices this summer we urge you to check to make sure it is Coast Guard approved. If you do not have a Coast Guard approved floatation device, we have a limited supply at both Bush Lake Beach and the Bloomington Family Aquatic Center that are available on loan.

Come and enjoy a summer at the Bloomington Family Aquatic Center! Experience our zero-depth entry, tot-slides, tumble buckets, jet spray, diving board, drop slide, and the thrilling, looping waterslides. If you get hungry, come and visit our concessions stand.

AMERICAN RED CROSS CERTIFIED LIFEGUARDS ARE ON DUTY AT BOTH SITES DURING HOURS OF OPERATION

A key component of the Hyland-Bush-Anderson Lakes Regional Park, Bush Lake Beach has provided exceptional recreation opportunities to millions of Minnesotans. Come feel the sand beneath your feet and enjoy one of Bloomington's treasures.
