

Booth Pricing

There is now a two-tier price structure due to the high demand for the Lobby area location (see map below).

Lobby	\$425.00
General	\$275.00

If you are interested in being located in the lobby area, the fee is \$425.00 per booth. If you would like to be located in the general areas, the fee is \$275.00 per booth.

On the vendor registration form, indicate your area preference and include the appropriate fee amount (checks only – made out to Bloomington HRA).

If we receive more requests for the lobby area than spaces available, a random draw will be held to fill the lobby spaces. The vendors not chosen will be placed back into a general location area and their fee will be reduced to \$275.00.

If we receive fewer requests for the lobby area, we will choose vendors from the general location pool to fill the remaining space(s). These vendors will not be required to pay the increased fee.
