B. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
C. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
D. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
E. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
F. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
G. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
H. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
I. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
J. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
K. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
L. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
M. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
N. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
O. Site notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.

LANDSCAPE NOTES
A. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
B. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
C. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
D. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
E. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
F. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
G. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
H. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
I. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
J. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
K. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
L. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
M. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
N. Landscaping notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.

GENERAL NOTES
A. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
B. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
C. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
D. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
E. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
F. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
G. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
H. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
I. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
J. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
K. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
L. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
M. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
N. General notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.

CONSTRUCTION NOTES
A. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
B. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
C. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
D. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
E. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
F. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
G. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
H. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
I. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
J. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
K. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
L. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
M. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
N. Construction notes and all other notes shown on the site plan are defined as notes that are not part of the construction plans.
