

You're invited to an OPEN HOUSE kicking off the Normandale Lake District Plan update.

The 2008 Normandale Lake District Plan (NLDP) established a vision to guide future re/development of the Normandale Lake District and identify associated public infrastructure improvements. The City is updating the plan to reflect recent changes in land use and new plans to improve access to I-494 from E. Bush Lake Road.

What: Normandale Lake District Plan Update: Open House #1

Information regarding the plan update will be on display. There will not be a presentation. Please feel free to come and go when it is convenient for you. City of Bloomington staff will be on hand to answer questions.

When: 4:30 - 6:30pm on Wednesday, October 7, 2015

Where: 8000 Norman Center Drive, Bloomington

The meeting will be held in the building's Classroom on the second floor (C Level/Skyway level) of the 8000 Norman Center Drive office tower. Look for signs directing you to the meeting room. See reverse for a map of the meeting location.

What will the update include?

The update to the Normandale Lakes District Plan will include:

- Updating future land use assumptions
- Updating traffic and utility modeling based on future land use assumptions
- Updating the implementation plan based on model outcomes
- Updating the funding strategy to pay for recommended public improvements in the district

As the process moves forward there will be another public open house as well as Bloomington Planning Commission and City Council public hearings.

How long will the process take?

The Plan Update Process is expected to be completed in Spring 2016.

Interested but can't make the meeting?
