Grade
Registration programs use the child’s grade for the Fall of 2017. Preschool classes are for children who are independently toilet trained and turning age FOUR by September 1, 2017

Sickness Policy
This policy has been put into place to protect your child(ren) and the other participants in the program. Please use common sense when deciding to send your child to one of our programs. If in doubt, please do not send them.

Please do not send your child to our programs if your child has:

- Had a temperature of 100 degrees or more within the past 24 hours.
- Had a communicable illness such as strep throat, pink eye, chicken pox, measles, etc... unless they have been on antibiotics for longer than 24 hours or past the doctors recommended exclusion period.
- Lice, unless they have been treated and no longer have any nits or eggs visible.
- Vomited within the last 24 hours.

If we discover that one of the above has occurred or the child becomes sick while at one of our programs, you will be asked to make arrangements to pick the participant up immediately from the participant’s location.

Concussion Policy
A concussion is a brain injury. Concussions are caused by a bump or blow to the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. You can’t see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away and please contact the Parks and Recreation office to notify us of the injury.

Please refer to the Centers for Disease Control and Prevention website for more information: www.cdc.gov/concussion/pdf/parents_Eng.pdf.

Lost and Found
Please label your child’s belongings with both first and last name. This includes things such as sweatshirts, water bottles, sunscreen, swim suits and beach towels. Items without names will remain at the program site until the end of the program.

A unique approach to language learning for both Dakota and non-Dakota children, the Dakota Language Camp provides an introduction to one of Minnesota’s native languages. Learning is through hands-on experiences of traditional Dakota games, crafts, songs, dancing and foods. Students will set up a tipi to learn how it was used and furnished. As Dakota culture is rooted in the land, many words are learned during nature walks on the beautiful trails of Nine Mile Creek. Dakota teachers will also explain their nation’s values and history.

This camp is held in the beautiful facilities of Bloomington Civic Plaza. Large grassy areas outside of Civic Plaza are used for outdoor activities and games. The Dakota Language camp is a joint venture of Bloomington Parks and Recreation and the Dakota Language Department of the University of Minnesota, which creates the program content and provides experienced teaching staff. Lunch is provided.

Not eligible for fee assistance, but a limited number of scholarships are available. Call 952-563-8877 for more information.

Skate School Frequently Asked Questions
How old does a skater have to be to start lessons?
We recommend skaters be at least 3 years of age to begin skating lessons.

Should skaters wear helmets?
We recommend helmets for skaters, especially those in Snowplow Sam 1, 2, 3, and 4.

What is the difference between Snowplow Sam 1 and Basic 1?
Snowplow Sam 1 is for skaters ages 3 - 7, with no skating experience. Basic 1 is for skaters who are beginner skaters, but who have had experience skating or rollerblading. Basic 1 is also appropriate for the skater 8 years and older who is a beginner skater.

Should skaters have their own skates?
We do have limited quantities of rental skaters for registered skaters to use during lesson time, however we recommend that skaters have their own good quality skates if possible. Double runners are not acceptable. If you need recommendations, don't hesitate to ask!
