

# Bloomington Area Regional Sewer Improvements Project

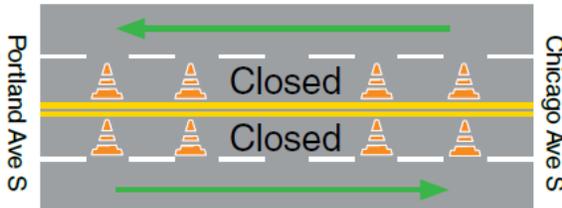

## Construction Update June 23, 2015

(dates are approximate and depend on changing weather/construction conditions)

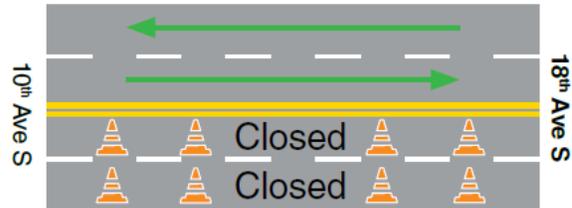

**Metropolitan Council Environmental Services (MCES)**, operator of the metro-area wastewater collection and treatment system, is starting construction on its Bloomington Area Regional Sewer Improvements Project. The purpose of the work is to rehabilitate an approximately 2.5-mile section of an aging and deteriorating regional sanitary sewer that is located in and serves the City of Bloomington.

### Lane closures along 90th Street

- This week updated traffic controls will be set and continue through November 2015
- The middle two lanes will be closed between Portland Ave S and Chicago Ave S.
- The south two lanes will be closed between 10<sup>th</sup> Ave S and 18<sup>th</sup> Ave S.
- No left turns except the intersections at Portland Ave S, Chicago Ave S, and 10<sup>th</sup> Ave S.
- Driveways will remain open for local residents

The middle two lanes will be closed between Portland Ave S and Chicago Ave S. No left turns (except at Portland, Chicago & 10<sup>th</sup>).

South two lanes closed between 10<sup>th</sup> Ave S and 18<sup>th</sup> Ave S. No left turns (except at Portland, Chicago & 10<sup>th</sup>).

### Upcoming work

- Over the next two weeks will be setting up temporary pipes to divert the wastewater while we work. Most temporary pipes will be installed above ground, and some will be buried to minimize disruption at major intersections and for driveway access. View our interactive map on the project website for the location of the temporary pipes by visiting <http://www.metrocouncil.org/Wastewater-Water/Projects/Sewer-Planning-Construction-Updates/Projects/Bloomington-Map.aspx>

### Who Should You Contact?
